Pre-Engineering

The Seacoast School of Technology offers 12 different Career and Technical Programs for students from Epping, Exeter, Newmarket, Raymond, Sanborn Regional and Winnacunnet high schools. Most of our programs are offered strictly for juniors and seniors, with the notable exception of Pre-Engineering, which follows the Project Lead the Way curriculum and is open to all students in grades 9-12.

In the space below, please explain why you are interested in the Pre-Engineering program at SST and how you envision Science, Technology, Engineering and Mathematics playing a role in your future studies.

SAU #16 does not discriminate in the administration of its admissions and educational programs, activities or employment practice on the basis of race, color, religion, national origin, age, sex, handicap, sexual orientation or marital status. This statement is a reflection of the mission of SAU #16 and refers to, but is not limited to, the provisions of the following laws: Title VI & VII of the Civil Rights Act of 1964; The Age Discrimination Act of 1967; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; The Americans with Disabilities Act of 1975; NH Law Against Discrimination (RSA 354-A) and State Rule: Ed. 303.01 (i),(j),(k). Inquiries regarding discrimination may be directed to Laura Nelson, Assistant Superintendent, SAU #16, 30 Linden Street, Exeter, NH 03833 - Telephone: 603-775-8400. The printing of this publication was funded through the Carl D. Perkins Career & Technical Education Improvement Act of 2006.
