Automotive Technologies

Grand Opening & Ribbon-Cutting

Tuesday, May 13th

11:15 am - Grand Opening Ceremony

11:30 am - Ribbon-Cutting Ceremony

Construction has been completed on the New Automotive Technologies Building at the Seacoast School of Technology in Exeter. The 13,000 sq. ft. thirteen bay automotive facility is part of the \$8.5 million dollar renovation project currently underway at SST.

Please join many local and state dignitaries, local automotive representatives, parents, students, and teachers in the celebration to mark the opening of this modern, state-of-the-art Career & Technical Education lab and classroom.

SST serves students from seven high schools, including Epping, Exeter, Great Bay E-Learning Charter, Newmarket, Raymond, Sanborn Regional, and Winnacunnet.
