

2008 New Hampshire Ford/AAA Skills Competition

On Thursday, May 1st, four Automotive Technologies students from the Seacoast School of Technology participated in the Ford/AAA Student Skills Competition at the New Hampshire International Speedway, Loudon, New Hampshire.

The competition consisted of time-based vehicle diagnostic trouble shooting. Contestants were split into teams of two. A team headed by instructor Mr. Bob Nienhouse with students Craig Robinson (Raymond) and Levi Horton (Epping) completed their tasks with a second place finish.

The second squad under the direction of instructor Mr. Jerry Sears with students Tyler Cote (Exeter) and Eric Call (Sanborn) concluded their efforts with a sixth place finish.

A great job was done by all!
