

NOW IS THE TIME TO APPLY FOR SCHOLARSHIPS AND GRANTS

The Parent Advisory Committee for Teachers is offering its 11th annual awards to deserving SST students to assist with the costs of further education, setting themselves up in business and/or attending national conferences as representatives of New Hampshire.

The Committee's decision is based upon the following combination of factors: description of financial need with specific costs and how scholarship money will be used; evidence of other efforts the students has made to obtain funding; student's effort, attitude, grades and portfolio at SST; and the career and technical teacher recommendation.

The application and review process consists of four major components: a letter of application from the student; a copy of the student's portfolio; a letter of recommendation from the student's career and technical teacher; and a review of SST records.

The Committee will accept applications for scholarships and grants from now until April 17, 2007. No late applications will be accepted. Mrs. Pierce, Ms. Callahan and Mr. Bruno, Student Services Counselor, are ready to help any student or parent with financial aid or scholarship questions.
